SHIP BROKERS

February 2013

VIRTESS

A **World** of Boats

Welcome

Hi and Welcome to Ensign Ship Brokers February 2013 Magazine

As with all markets the Boating and Marine industry is subject to the cyclical effects of economies, consumer sentiment and perceived value for buyers.

The second half of 2012 exhibited a definite month on month upswing in both volume and value of vessels sold by Ensign with the most positive signs of confidence and sales being those above \$1m. This boost in sales continued strongly through January where the value of vessels sold was the highest in the companies history for any month.

New boat sales in the sailing sector have shown a startling insurgence of past owners ready to change up into the latest European offerings from Bavaria Germany. The combined effect of currency stability and the resultant drop in AUD \$ pricing has made purchasing a new vessel too much of an opportunity to miss for many seasoned buyers.

Ensign is committed to offering its customers a diverse range of New vessels in both Power and Sail with a range encompassing Super Yachts from IAG, European quality sail and power from Bavaria, Nautitech Catamarans from France, Deep V fishing and recreational vessels and the Ensign 50 to name a few from Ensigns stable of 13 competitive brands.

Ensign offers over 800 vessels for sale at any one time covering the entire nation with nearly 30 individual expert brokers sourcing vessels for our clients.

Hope your enjoying your boating life and as always our doors are open 7 days a week

Regards

Tony Ross
Managing Director
Ensign Ship Brokers

Sunseeker 82 Flybridge 2005

'Mahaya' is self expressive and yearns for contact with people. Mahaya loves to entertain free from restrictions and she loves to be spontaneous. The 82' motor yacht has enormous plate-glass windows that flood the main saloon with natural light and offer stunning 360-degree vistas to all in the main saloon.

Sea Ray 550 Motor Yacht - Just Reduced!

This model is a shining example and should not be overlooked if you are in the market for a huge volume sports cruiser. The fastidious detail in keeping this in showroom condition is a credit to the current knowledgeable, meticulous, and proactive owner. The inventory is huge with too many extras to list. All offers considered. Owner will also consider trades.

Glastron GS259

This boat has remarkable room, style and features that make it seem like a much larger boat. A large forward V berth with great storage underneath. There is also another double located midships with access behind the galley. The galley located to port as you descend the steps has electric hotplate, fridge/freezer, microwave & ample storage for a few days away from it all.

Sea Ray 300 DA

Owners are reluctant to sell but have purchased a motor home to do some land-based exploring now, so they are motivated to sell. A must to inspect – this rare to find hard top has been meticulously maintained. Sleeps six comfortably with one forward double cabin, one mid double cabin & one collapsible double in the saloon. Don't miss out!!!
