

ENNSIGN

SHIP BROKERS

Autumn 2014

A **World** of Boats

CRUISER 46

The
**BEST OWNER
EXPERIENCE**
starts here...

Welcome

Sanctuary Cove International Boat Show time has rolled around again giving boaties that all important impetus to plan for their next purchase or upgrade.

Ensign will showcase the new Bavaria Sail and Power Boat models available, and with many new Australian specified stock boats being built at the German based factory for Sydney Boat show deliveries this will create a great opportunity for savvy buyers to take advantage of boat show specials.

Overall, the vessel market in Australia has shown remarkable continued strength and resilience in consumer confidence since the start of 2014. Brokerage vessel sale prices have steadied across the board allowing potential buyers to read the value in the market with greater clarity and confidently make offers that vendors will accept as a true indication of what the market is prepared to pay.

Ensign's professional 30 broker strong team continues to successfully bring to the market

a massive cross section of vendor offerings ensuring a rapid and continuous supply of enquiries from the burgeoning internet marketplace.

Ensign Ship Brokers have opened another brand new office at the very high profile Royal Prince Alfred Yacht Club in Pittwater with a team of highly motivated brokers already heavily involved in the clubs racing and social scene. Congratulations to Ensign Sydney's Director, Andy Howden and the team. Bavaria owners take up over 40 berths at the RPAYC and now with a new Vision 46 on the docks showcasing the new model range, there is a constant stream of interested buyers.

Look forward to seeing you out on the water and as always, safe boating

Regards

Tony Ross
Managing Director

MY 'Sakata' Filippetti Navetta 26

Superyacht fit-out and 3000nm range! The opportunity to acquire this vessel in Australian waters is limited as it will be heading back to Europe in 6 weeks. MY 'Sakata' is a small superyacht with a big superyacht feel. The Navetta 26 from the Fillipetti Shipyard focuses on owner's comfort with the master suite occupying 40% of the vessels total volume.
